

EU DECLARATION OF CONFORMITY TO ROHS RECAST

Declaration of Conformity on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (EU RoHS)

1. Declaration Conformity

Alteams Group is a manufacturing partner of advanced applications for communications networks and industrial applications using cast aluminium and bronze components. Alteams Group guarantees that products manufactured listed below are in compliance with the Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment.

2. Restricted RoHS materials, listed products and exemptions

Restricted substances and maximum concentration values tolerated by weight in homogeneous materials:

- Lead (0,1 % / 1000 ppm)
- Mercury (0,1 %)
- Cadmium (0,01 % / 100 ppm)
- Hexavalent chromium (0,1 %)
- Polybrominated biphenyls (PBB) (0,1 %)
- Polybrominated diphenyl ethers (PBDE) (0,1 %)

Items and grades	RoHS Compliant	Exemptions
Casted Aluminium Products (EN AB - xxxxx)	Yes	Clause 6(b)
Casted Bronze Products (CB480K and CC480K)	Yes	Clause 6(c)

As an exemptions from the restriction based on clause 6(b) for casted aluminum products of the Exemption list of the Directive 2011/65/EU in that lead as an alloying element in aluminium containing up to 0,4 % lead by weight. Clause 6(c) for casted bronze products of the Exemption list of the Directive 2011/65/EU in that copper alloy containing up to 4 % lead by weight.

I certify on the behalf of Alteams Group and its' subsidiaries that products listed above with listed exception (Clause 6(b) and Clause 6(c)) do not contain any homogeneous material that are defined within the RoHS Directive 2011/65/EU list of restricted materials.
